

Welcome to Kamp Starfish

Kamp Starfish is an Ocean Lakes tradition, and it has grown to accommodate more than 2,000 young campers each summer. Enrollment is open to children ages 4-11 who are Ocean Lakes guests or residents. Based at the Recreation Center, our Kamp facilities provide a safe and comfortable environment where Kampers can play, learn and grow together.

Children are grouped according to age. Our Kamp counselors plan the daily activities according to a weekly theme provided on the next page. Regular activities include arts and crafts, field games, music and nature activities. Kamp ends each Friday with a special ice cream social to conclude festivities. Each Kamper will also receive a personalized Kamp t-shirt.

You may register your children, ages 4-11 at 8:30 each morning in the Recreation Office or in advance by mailing the attached registration form with your payment and dates.

Kamp will be in the Recreation Building.
